Tegan and Sara

Artist : Tegan & Sara

Song : Proud

Album : Under Feet Like Ours / This Business Of Art

Tabbed by Yuna.

This was tabbed after the UFLO version but it works fine for the TBOA version as well :]

Standard tuning, capo on 5th fret

Listen to the actual song to get the right rhythm, you ll notice the 4th & 5th chord

strummed once and very quickly :

```
e |-----|
B |-----|
G |--0---0---0-----0--|
D |--9---5---7-----0--|   X6
A |--7---3---5---7--5--0--|
E |--0---0---0---7--5--0--|
```

Freedom and blood

I make my mark and fight for tomorrow

Finally I ve got something

Something I can raise my voice for

Fine tell them who you really want

Fine well you ll get yours and I ll get mine

Proud, I m proud to be proud to see

They said proud

I m proud to be proud to be me

```
e |-----|
B |-----|
G |--0---0---0---0--|
D |--9---5---5---7--|   X2
A |--7---3---3---5--|
E |--0---0---0---0--|
```

They said tell me oh you ve got to tell me

```
e |-----|
B |-----|

```

D |--9---5---7-----0--| X6
 A |--7---3---5---7--5--0--|
 E |--0---0---0---7--5--0--|

Freedom s rough
 So we take our stand and fight for tomorrow
 Finally we got something something we can
 Bring down the house with
 Fine tell them who you think you are
 Fine tell them fine is what you are
 Proud, I m proud to be proud to see
 They said proud
 I m proud to be proud to be me

e |-----|
 B |-----|
 G |--0---0---0---0--|
 D |--9---5---5---7--| X2
 A |--7---3---3---5--|
 E |--0---0---0---0--|

e |-----|
 B |-----|
 G |--0--0--|
 D |--5--7--| X11

And when you finally figure out what else you need
 You better think of me (think of me)
 No no no no (repeated)

e |-----|

 D |--9---5---7-----0--| Play this until the end of the song
 A |--7---3---5---7--5--0--|
 E |--0---0---0---7--5--0--|

When I get up
 I feel the rhythm in my fingers
 I get up - I hear the rhythm in my laughter
 Take a second look
 You might find that I am stronger
 Take a second look
 You might find that you are stronger
 Imagination, inspiration
 It s only fair that I tell you

I plan on leaving here tonight with my pride
It gets me every time with my pride
I m proud to be I m proud to be me
