E B C#m

climbed up on the rainbow just to see if I'd fall off

E B C#m

I'm a frosted lemon coward and I don't know how

E B C#m

No, I don't know how to hold you without shaking

E B C#m

no I'm not aware of how I could possibly love you without aching

E B C#m

yes I give you everything yes I give you anything I gave you everything

E B C#m

gotta watch myself I've gotta love myself and take care

E B C#m

and so keep the light on before ya hop into bed

E B C#m

cos, baby, this is the last honest look I'll ever give

(then there s some fill, and you can change to strumed chords....)

(yeah it s pretty much e b c#m for the whole thing so here are the reest of the lyrics)

I saved up all my sunshine

Just to see you more clear

I m a little short on solar

But I haven t given in

No I m going to hold you anyway

And I ll do it without shaking

Yes I ll love you always
And I ll do it without aching

Yes I d give you anything
Yes I d give you anything
I gave you everything
Gotta watch myself
I ve gotta love myself
And take care
And so keep the light on before
Ya hop in...
Cos, baby, this is the last
Honest look I ll ever give

I give you everything
I give you anything
I gave you everything
Gotta watch my self
I ve gotta love myself
And take care
Yeah

Gave you
I gave you
I gave you everything
So I ve gotta watch myself
And love myself
And take care

(here it kinda goes into tab, but i don t know it...yet)

This is your last look
This is your last look
This is your last look
Yeah this is your last look
This is your last look
This is your last look

And so keep the light on before
Ya hop into bed
Cos, baby, this is the last
Honest look I ll ever give

thats it!
