

You Wouldnt Like Me
Tegan and Sara

STANDARD TUNING ~ no capo

i couldn t find any tabs for this song, so i did them myself. this should be accurate.

the strum pattern is like, nuh nuh X X nuh nuh X X until chorus... (X is a tap/pat)

intro - D

Eb

theres a war inside of me

Bb

do i cause new heartbreak to write

Eb

a new broken song

Eb

do i push it down

Bb

or let it run me right into the ground

G#

Eb

i feel like i wouldn t like me if i met me

Eb

Bb

well i can t stop talking for fear of listening

to unwelcome sound

Eb

and you haven t called me in weeks

Bb

and honestly its bringing me down

G#

Eb

i feel like i wouldn t like me if i met me

G#

Eb

i feel like you wouldn t like me if you met me.

Eb

G#

Eb

and don t you worry theres still time

G#

Eb

and don t you worry there s still time

Eb

there s nothing to live for

Bb

when i m sleeping alone

Eb

and i wash the windows outside

Bb

in hopes that the glare will bring you around

G#

Eb

i feel like i wouldn t like me if i met me

G#

Eb

i feel like you wouldn t like me if you met me.

G#

Eb

and don t you worry theres still time

G#

Eb

and don t you worry there s still time

G#

Eb

and don t you worry theres still time

G#

Eb

and don t you worry there s still time

Eb

sunshine is days away

i won t be saved

G#

i know all the words

Bb

G#

i can t say that i ll love you forever

Eb

sunshine is days away

i won t be saved

G#

i know all the words

Bb

G#

i won t say that i ll love you forever.

(end on **Eb**)

and there you have it. a great and ridiculously simple song to play. enjoy :)
