

You Wouldnt Like Me
Tegan and Sara

STANDARD TUNING ~ no capo

i couldn t find any tabs for this song, so i did them myself. this should be accurate.

the strum pattern is like, nuh nuh X X nuh nuh X X until chorus... (X is a tap/pat)

intro - D

C#

theres a war inside of me

G#

do i cause new heartbreak to write

C#

a new broken song

C#

do i push it down

G#

or let it run me right into the ground

F#

C#

i feel like i wouldn t like me if i met me

C#

G#

well i can t stop talking for fear of listening

to unwelcome sound

C#

and you haven t called me in weeks

G#

and honestly its bringing me down

F#

C#

i feel like i wouldn t like me if i met me

F#

C#

i feel like you wouldn t like me if you met me.

C#

F#

C#

and don t you worry theres still time

F#

C#

and don t you worry there s still time

C#

there s nothing to live for

G#

when i m sleeping alone

C#
and i wash the windows outside
G#
in hopes that the glare will bring you around

F# **C#**
i feel like i wouldn t like me if i met me
F# **C#**
i feel like you wouldn t like me if you met me.

F# **C#**
and don t you worry theres still time
F# **C#**
and don t you worry there s still time
F# **C#**
and don t you worry theres still time
F# **C#**
and don t you worry there s still time

C#
sunshine is days away

i won t be saved
F#
i know all the words
G# **F#**
i can t say that i ll love you forever
C#
sunshine is days away

i won t be saved
F#
i know all the words
G# **F#**
i won t say that i ll love you forever.

(end on **C#**)

and there you have it. a great and ridiculously simple song to play. enjoy :)
