

**You Wouldnt Like Me**  
**Tegan and Sara**

STANDARD TUNING ~ no capo

i couldn t find any tabs for this song, so i did them myself. this should be accurate.

the strum pattern is like, nuh nuh X X nuh nuh X X until chorus... (X is a tap/pat)

intro - D

**E**  
theres a war inside of me

**B**  
do i cause new heartbreak to write

**E**  
a new broken song

**E**  
do i push it down

**B**  
or let it run me right into the ground

**A** **E**  
i feel like i wouldn t like me if i met me

**E** **B**  
well i can t stop talking for fear of listening

to unwelcome sound

**E**  
and you haven t called me in weeks

**B**  
and honestly its bringing me down

**A** **E**  
i feel like i wouldn t like me if i met me

**A** **E**  
i feel like you wouldn t like me if you met me.

**E**

**A** **E**  
and don t you worry theres still time

**A** **E**  
and don t you worry there s still time

**E**  
there s nothing to live for

**B**  
when i m sleeping alone

**E**  
and i wash the windows outside

**B**  
in hopes that the glare will bring you around

**A** **E**  
i feel like i wouldn t like me if i met me

**A** **E**  
i feel like you wouldn t like me if you met me.

**A** **E**  
and don t you worry theres still time

**A** **E**  
and don t you worry there s still time

**A** **E**  
and don t you worry theres still time

**A** **E**  
and don t you worry there s still time

**E**  
sunshine is days away

i won t be saved

**A**  
i know all the words

**B** **A**  
i can t say that i ll love you forever

**E**  
sunshine is days away

i won t be saved

**A**  
i know all the words

**B** **A**  
i won t say that i ll love you forever.

(end on **E**)

and there you have it. a great and ridiculously simple song to play. enjoy : )
