Temple Of The Dog

PART 1

**Asus2 D**  
She motioned to me  
                          **F#m E**  
That she wanted to leave  
                          **D E**  
And go somewhere warm  
                          **D G**  
Where we d be alone  
                  **C Bm**                          **D F**  
I do not know what s going on  
                  **E D**  
But I m guessing  
                  **Asus2 F G**  
it s an all night thing yeah  
                  **Asus2 F G**  
it s an all night thing

PART 2

**D F**  
If it s an all night thing  
                  **Asus2 D Asus2**  
Nobody s gonna make it end  
                  **D F**  
And if it don t begin  
                  **Asus2 D Asus2**  
Don t worry that I ll take offense  
                  **D F**  
And if it s an all night thing  
                  **F#sus2**  
And we fall like a tear falling  
  
to the ground  
**B**  
I ll never come around  
                  **E D G**  
And you ll never hear a word from me  
                  **Asus2**  
If it s an all night thing

PART 3

**D Asus2 F#m E**

I walked alone, feeling at ease  
                                   **D**      **E**  
 And falling like rain  
                                   **D**          **G**  
 Into her scheme  
                                   **C**  **Bm**  
 She won't let on      to what will be  
                                   **E**          **D**  
 But I'm guessing  
                   **Asus2**                  **F G**  
 it's an all night thing      yeah
