Gmaj7 **Edim7** **F#m7** **Bm**
I m afraid of woozles and heffalumps
Gmaj7 **Edim7** **F#m7** **Bm**
I can t get no sleep so could you lend me some
Gmaj7 **Edim7** **F#m7** **Bm**
The monster that s hidden in my brain won t give me a break
Gmaj7 **Edim7**
It s almost past 4:00 I m not tired
 F#m7 **Bm**
My mind is at stake
Gmaj7 **Edim7**
My eyes gaze through my window
 F#m7 **Bm**
What s looking at me

Gmaj7 **Edim7** **F#m7** **Bm**
My irises adjust and it s a bunch of leaves
Gmaj7 **Edim7** **F#m7** **Bm**
And all that s left to say is that it s all in my head
Gmaj7 **Edim7** **F#m7** **Bm**
I don t think any monsters wanna crawl in my bed

Gmaj7 **Edim7**
I always wake up next to monsters
 F#m7 **Bm**
These gouls and ghosts drive me bonkers
Gmaj7 **Edim7**
No escape from what I have to do now
F#m7
I m screaming out
 Bm
I m black and blue now

[Chorus]

Gmaj7 **Edim7**
I can t get away
F#m7 **Bm**
I can t get my way
