[Verse]
G#*
I waited for you, I thought I should
G#*
Something told me not to go
G#*
A cold hand reached down
G#*
I let the noise drown it out

[Chorus]
G#   **D#**   **C#**
Subtle changes, happen slowly
G#   **D#**   **C#**
I ll be silent, I always have been
G#   **D#**   **C#**
Darkness floods your eyes, when you need to see
G#   **D#**   **C#**
Don t waste your time on me

[Go back to playing the intro for the verse]

[Verse 2]
G#*
I hear crying from behind
G#*
The way I never did
G#*
I used to listen out to hear you calling
G#*
I still listen out but I hear nothing at all

[Chorus 2]
G#   **D#**   **C#**

Subtle changes, happen slowly
G#   D#   C#
I ll be silent, I always have been

Darkness floods your eyes, when you need to see
G#   D#   C#
Don t waste your time oooon

[Bridge (same chords as chorus)]
C#   G#   D#   C#
Are you feeling better now I hope so

Don t waste your time on me
