

**Rock And Roll Music To The World
Ten Years After**

ROCK AND ROLL MUSIC TO THE WORLD " TEN YEARS AFTER

B5

We did some rock and roll up in Texas

E5

And the folks from the coast towns said

B5

You better watch yourself up in Texas

C#5

F#5

Or you, you might just end up dead, boy

B5

But the people I found

Grooving to the sound

E5

Of rock and roll music in the air

B5

We all had a ball

With no hassles at all

F#5

B5

Pretty soon I m gonna go back there

F#5

I m singing

B5

Rock and roll music to the world

Rock and roll music to the world

E5

Ain t no relation

To the United Nations

B5

Keep rock and rolling to the world

F#5

F#5-F5-E5

Give peace a chance

Get up and dance

When I sing

B5

Rock and roll music to the world

B5

F#5-A5-Bb5-B5

I m gonna scream

F#5-A5-Bb5-B5

I m gonna shout

B5

Get my emotions

And work them all right out

E5

I wanna live

B5

Just like I give

F#5 **F#5-F5-E5**

No need to fight

Wait for tonight

When I sing

B5 **E5-F5-F#5**

Rock and roll music to the world

(Then,repeat the same),enjoy it

Rock and roll music to the world

Rock and roll music to the world

Ain t got no calling

Except for balling

Rock and roll music to the world

Don t need no boost

Just turn me loose

And I sing

Rock and roll music to the world

I tell the truth

I ain t no star

I only shout

And leave the rest to my guitar

Rock and roll music to the world

Rock and roll music to the world

Ain t no relation

To the United Nations

Keep rock and rolling to the world

Don t need no boost

Just turn me loose

And I sing

Rock and roll music to the world
