TEN " Silent Rain
from the album Babylon (2000)

Verse 1:

E **A** **B** **E**
There was once a time long ago
B/D# **C#m** **B** **A** **Bsus4**
 When true love drew man and woman together
B **E** **A** **B** **C#m**
She was all he wanted to know
B **A** **E** **A** **Bsus4** **B**
 And he swore that he would love her forever
 C#m **A** **E** **Bsus4** **B**
So the light fades the colours of life when it s gone
 C#m **A** **E** **Bsus4** **B**
Like a lost ship of dreams that failed to sail
 F#m **E** **A** **B** **C#m**
But to him she was more than just another fairy-tale
 F#m **E** **A** **B**
She became his reality unveiled

Chorus:

A **E**
Silent rain
 B **A** **E**
You and I have shared the fears the night betrayed
 B **A** **A**
Through the eyes where love appeared but died in vain
 E/G# **F#m** **D**
Torn open, bound together
 E
Silent rain
 B **A** **E**
Even now, you hide the tears, you light the way
 B **A**
Through the darkness that remains
 A **E/G#** **F#m** **D**
A brand new day, dawns broken, now, forever
 E **B** **A**
Silent rain
