

**Government Totally Sucks**  
**Tenacious D**

I have been working on this tab for quite a while. studying the deleted scene in the film  
this song in. And i think that i finally got it!

The government totally sucks you motherfucker. The government totally sucks.
```

Keep repeating that riff over all the talking and singing.  
e.g: their fucking up the environment (say what?) their taking all the f...  
get it?

Now this part i am not quite sure of.
