

**Kyle Took A Bullet For Me
Tenacious D**

jack : K.G. and me Don t forget about Tenacious D

For those of you less skilled guitar virtuosos who are nonetheless fans of the almighty

D, here is a version of Kyle Took a Bullet For Me in chord form.

This is actually pretty close to what JB plays on the DVD, minus a few random base notes

and with a few added fifths. Eh, it sounds just about the same.
