

Lee

Tenacious D

LEE by Tenacious D

notes: This song is easy and fun to play. There are two possible ways to play it: one with the barre chords and one with the regular chords. I prefer the barre chords because it sounds more correct and is easier to make the chord changes. At the bottom are the tabs for all the chords.

Lyrics and Chords:

Lee Lee Lee Lee.....

D C

Lee Lee Lee Lee Lee Lee Lee Lee Lee
