

Jersey On The Wall
Tenille Townes

[Intro]

C Am F G

[Verse]

C
There's a jersey on the wall
Am
In a high school gym in my home town
F
In the corner by the scoreboard
G
Where the bleacher seats fold down
C
twenty seven took the tigers
Am
to the finals that year
F **G**
but that's not why it's hanging there

[Chorus]

C
If I ever get to heaven
Am
You know I got a long list of questions
F
like how do you make a snowflake
G
are you angry when the Earth quakes
C
how does the sky change in a minute
Am
how do you keep this big rock spinning
Am **G** **F**
Why can't you stop a car from crashing
F **G** **C**
forgive me I'm just asking

[Verse]

C
I bet somewhere there's a yearbook
Am
in a box under a bed
F
with a senior picture missing
G
in loving memory instead
C

and somewhere thereâ€™s a mother

Am

who stopped going to church

F

cause your plan quit making sense

G

Down here on Earth

[Chorus]

C

If I ever get to heaven

Am

you know I got a long list of questions

F

Like how do you make a snowflake

G

are you angry when the Earth quakes

C

how does the sky change in a minute

Am

how do you keep this big rock spinning

Am

G

F

Why couldnâ€™t you stop that car from crashing

F

G

Am

forgive me Iâ€™m just asking

[Bridge]

F

oh Iâ€™m just saying

C

G

You donâ€™t have to answer now

F

oh but someday

[Chorus]

C

if I ever get to heaven

Am

I got a long list of questions

F

Like how do you make a snowflake

G

are you angry when the Earth quakes

C

how does the sky change in a minute

Am

how do you keep this big rock spinning

Am

if youâ€™ve got your hands

G

F

on everything that happens

Am

G

F

Then why couldnâ€™t you stop that car from crashing

F **G** **C**
forgive me Iâ€™m just asking

[Outro]

Am **F** **G** **C**
oh Iâ€™m just asking
