

Dimming Light
Tennis

[Verse 1]

Gm C F Dm
Silently you
Gm C F Dm
slip through the way
Gm C F Dm
Graceful, you move beneath the
Gm C F Dm
living room - I know it s you
Gm C F Dm
A vision I held in the night
Gm C F Dm
Of rivers that run dry
Gm C F Dm
Although you re lyin next to me
Gm C F Dm
I know that you re not mine

[Chorus]

Gm C F Dm
Is it even enough to know what you re lookin for?
Gm C F Dm
Is it ever enough to have what you re waitin for?
Gm C F Dm
When the night comes we will be restored
Gm C F Dm
You re the one that I love

[Verse 2]

Gm C F Dm
Silently you
Gm C F Dm
slip through the way
Gm C F Dm
Graceful, you move beneath the
Gm C F Dm
living room - I know it s you
Gm C F Dm
If I could fall on any phrase
Gm C F Dm
Or hold a steady gaze
Gm C F Dm
And maybe you d appeared to me
Gm C F Dm
Transparent as the day

[Chorus]
