CAPO 5

[Verse 1]

G **Em**
Coconut Grove
C **D**
Is a very small cove
G **Em**
Separated from the sea
C **D**
By a shifting shoal
G **Em**
We didnt realize that
C **D**
We had arrived
G **Em**
At high tide, high tide
C **D**
Barely made it out alive

[Chorus]

G **Em**
Ooh ooh ooh ooh ooh ooh ooh ooh
C **D**
Ooh ooh ooh ooh ooh ooh
G **Em**
Ooh ooh ooh ooh ooh ooh ooh ooh
C **D**
Ooh ooh ooh ooh ooh ooh

[Verse 2]

G **Em**
Red over white
C **D**
Fishermen working at night
G **Em**
Not even once
C **D**
Did we see a light
G **Em**
We didnt realize
C **D**
The forecast had been revised
G **Em**
By moonless skies and

C D
Shifty wind that gusts and dies

[Bridge]

G Em C
Ooh On the sand our keel is heaving
D G
But tonight weve got to be leaving
Em C D
Travel through the day and into the evening

G Em C D

[Chorus]

G Em C D
Marathon how long weve been gone
G Em C D
And still not yet set foot upon you

[Outro]

Em D
Your low lying shore opens welcomingly
Em D
To one whos spent the night at sea
G Em C D
Adrift in the shallows, a modest repose
G Em C D
Adorn with coral, your bright colors show
G Em C D G
Ushered in through a bridge that is never closed

Em C D G
