

**City Of Dreams  
Tensheds**

i have changed the chords a little to match my voice but it should still sound alright :)

i have a capo on 3

intro **C F** take of your middle finger occasionally while playing both chords for the intro

**C**  
Over the same ground, onto the subway  
**F**  
I make my way through town felling a little bit small

**C**  
But itâ€™s not easy, no not when youâ€™re me.

**F**  
And the pavement under your feet holds no conscience at all.

**Em Am**  
**C G**  
Cause when I move in my own special way itâ€™s hard to tell, and itâ€™s hard to see.

**C E**  
**Am**  
Cause I donâ€™t know if Iâ€™m falling in love with you, over and over again.

**C E**  
I guess thats just the way it goes,

**C E**  
**F**  
So say something donâ€™t let it pass you by, over your head.

**C G E**  
**C**  
Cause its just another day in the city of dreams with your backcombed hair.

**C E**  
You got some kind of hold, some invisible chains.

**Am F C**  
**E**  
Like a puppet on a string Iâ€™m not free of you, you got me all blue.

**Am F**  
And Iâ€™m chasing cars, just to go somewhereâ€¦

**Em Am C**  
Cause when I move in my own special way tell me now,

**G**  
What dâ€™you want me to say?

**C E**

**Am**

Cause I donâ€™t know if Iâ€™m falling in love with you, over and over again.

**C E**

I guess thats just the way it goes,

**C E**

**F**  
So say something donâ€™t let it pass you by, over your head.

**C G E**

**C**  
Cause its just another day in the city of dreams with your backcombed hair.

instrumental

**E Am C E C E F C G E C**

**Em Am C**

And when you move in your own special way, tell me now

**G**

Do you want me to stay?

**C E**

**Am**

Cause I donâ€™t know if Iâ€™m falling in love with you, over and over again.

**C E**

I guess thats just the way it goes,

**C E**

**F**  
So say something donâ€™t let it pass you by, over your head.

**C G E**

**C**

Cause its just another day in the city of dreams with your backcombed hair.

**Am E Am**

**F**

Tell me straight, baby, dont bullshit me. Give me something now

**Am E Am**

**F**

Im holding out for you, dont want to try something new, so give me something now.

**Am E Am**

**F**

Surely Im worth it remember you said I was! So give me something now.
