

The Sun Will Rise
Tenth Avenue Frozen Out

Tenth Avenue Frozen Out, The Sun Will Rise.
Tabbed by T. Diego Alessandro, JMlocke625@aol.com.

This song was written in 2001 copyright 2001 by T. Diego Alessandro, I wrote this as a wake up call to the world to say that we should do what we need to so wars like Vietnam and Korea don t take the lives of so many brave men who didn t have to die!

This song is in the key of Eb so use a capo on fret 3.
This is how the song is played so thats the way it will be transcribed.
