Don t stop with your love
And the mother s tear
For the child that starves
Don t stop with your love
When we re breaking down
              F#m
We re falling apart
Don t stop with your love
And with new eyes to see
This is your mercy
Bm7
Don t stop with your love
[Chorus 2]
Don t stop the madness
                Em7
Don t stop the chaos
Don t stop the pain inside of me
Do whatever it takes to give me your heart
Em7
And bring me down to my knees, Lord
