Haven t we all lied if we re honest?
          G#        Bbm                       F#        C#
We cheat and cover up to protect what people think of us

But we end up hostage to all our secrets
```

Our God chased us all down into death
          C#/F#                       F#
To lift us out of the shame we live in
          Bbm    G#/C#   C#

He came to free us from all our secrets
```

Made clean, set free, redeemed
            F#                      Bbm         G#
Yeah, His blood is enough to wash over the worst of us
