

**Times**

**Tenth Avenue North**

Times

Tenth Avenue North

Key **E**

[Intro]

**C#m A E B**

[Verse 1]

**C#m A E B**

I know I need You

**C#m A E B**

I need to love You

**C#m A E B C#m A E B**

Iâ€™d love to see You, but Itâ€™s been so long

**C#m A E B**

I long to feel You

**C#m A E B**

I feel this need for You

**C#m A E B C#m A E B**

I need to hear You, is that so wrong?

[Chorus]

**C#m E A**

Oh Oh Oh Oh Oh Oh Oh Oh Oh

[Verse 2]

**C#m A E B**

Now You pull me near You

**C#m A E B**

When weâ€™re close I fear You

**C#m A E B C#m A E B**

Still Iâ€™m afraid to tell You all that Iâ€™ve done

**C#m A E B C#m A E B**

Are You done forgiving, or can You look past my pretending?

**C#m A E B C#m A E**

Iâ€™m so tired of defending what Iâ€™ve become

**B C#m A E B**

What have Iâ€™ve become?

[Bridge]

**A E**

I hear You say My love is over, itâ€™s underneath

**B C#m**

Itâ€™s inside, itâ€™s in between

**A** **E**

The times you doubt Me when you canâ€™t feel

**B** **C#m**

The times that you question, "Is this for real?"

**A** **E**

The times youâ€™re broken, the times that you mend

**B** **C#m**

The times you hate Me and the times that you bend

**A** **E**

My love is over, itâ€™s underneath

**B** **C#m**

Itâ€™s inside, itâ€™s in between

**A** **E**

The times youâ€™re healing when your heart breaks

**B** **C#m**

The times that you feel like youâ€™ve fallen from grace

**A** **E**

The times youâ€™re hurting, the times that you heal

**B** **C#m**

The times you go hungry and are tempted to steal

**A** **E**

In times of confusion, chaos and pain

**B** **C#m**

Iâ€™m there in your sorrow under the weight of your shame

**A** **E**

Iâ€™m there through your heartache; Iâ€™m there through the storm

**B** **C#m**

My love I will keep by My power alone

**A** **E**

I donâ€™t care where youâ€™ve fallen, where you have been

**B** **C#m**

Iâ€™ll never forsake you, My love never ends

**A** **E** **B**

It never ends
