**A2 E/G# Bsus4**

**A2 E/G#**  
I m waking up again  
**Bsus4**  
In this land of shadows  
**A2 E/G#**  
My eyes are growing dim  
**Bsus4**  
Lured toward the gallows  
**A2 E/G#**  
So light my soul ablaze  
**Bsus4**  
A field on fire  
**A2 E/G#**  
Take me to that place  
**Bsus4**  
Of one desire

Chorus:

**B C#m7 G#m7**  
O tempted heart, come alive  
**E5 B**  
I feel you burning inside  
**C#m7 G#m7**  
Weary soul, lift your eyes  
**E5**  
To a city where life will never die

Instrumental:

**A2 E/G# Bsus4**

Verse 2:

**A2 E/G#**  
But the dark and immediate

So I keep on giving in  
**Bsus4**  
To the things that kill me

Chorus 2:

**B C#m7 G#m7**  
 O tempted heart, come alive  
**E5 B**  
 I feel you burning inside  
**C#m7 G#m7**  
 Weary soul, lift your eyes  
**E5**  
 To a city where life will never die  
**B C#m7 G#m7**  
 This rusted world can't satisfy  
**E5 B**  
 There's nothing here that will survive  
**C#m7**  
 The night will end  
**G#m7**  
 The sun will rise  
**E5**  
 On a city where life will never die

**F#m7**  
 Dark eyes, look up  
**C#m7 Bsus4**  
 See a kingdom come  
**F#m**  
 Burn within our lungs  
**C#m7 Bsus4**  
 Further up, further on  
**B C#m7 E/G#**  
 Higher

 Take me higher
