One Blood
Terence Jay

Terence Jay - One Blood (chords)

The first thing i wrote here. Creds to my guitar teacher for helping me find the

chords for the song! =)

INTRO (chords are **Bb**,**F**,**Eb**)

```
                    Bb      F       Eb
In the far away fires
                         Bb        F       Eb
Where the hills forever burn
                    Dm       Cm
At the feet of our heroes
              Gm      Eb/A     Gm
We try hard to learn
                 Bb         F  Eb
But the lesson is lost there
                    Bb      F  Cm
In the smoke and the mud
                Dm              Cm          Bb
That we are one flesh, one breath, one life, one blood

F        Eb       Bb       F      Eb

                   Bb         F      Eb
I stood by the river
                    Bb      F   Eb
That ran red with shame
                  Dm              Cm
I stood in the killing fields
                Gm     Eb/A   Gm
Where death had no name
                Bb       F      Eb
I stood with my brothers
                Bb       F      Cm
And away it flood
                Dm              Cm          Bb
And we were one flesh, one breath, one life, one blood

F       Eb       Bb       F      Eb

                    Bb         F   Eb
Then I felt to the ground
                   Bb      F   Eb
Tasted ashes on my tongue
                 Dm               Cm
```

```
Thinking that only the dead
                Gm          Eb/A    Gm
Are forever young

[SOLO]  Bb,F,Eb

                        Bb          F       Eb
There was peace in the twilight
                Bb      F       Eb
And for a moment among
                        Dm      Cm
It was a world without danger
            Gm      Eb/A    Gm
A world without war
                        Bb              F       Eb
And I will take all your suffering
            Bb      F       Cm
It will do any good
            Dm              Cm              Bb      F       Eb
Cause we are one flesh, one breath, one life, one blood

[Outro] Bb  F       Eb
```
