B F# G#m
Oh my god this is our life

E
We re living like their victims

B F#
Living like the captives

B F# G#m
Tired of sitting thinking dark thoughts

E
Contemplating motion

B F#
Time to become active

G#m G#m/G# G#m/G
Do you know that your lies

G#m/F# E
Burn as bright as the bombs

B F#
You re dropping on the innocent?

B F# G#m
And we ve got something good to show you

E
And you don t wanna miss this

B F#
You don t wanna miss this one

B F# G#m
How will you answer the questions

E
How will you defend

B F#
The murders you ve instructed

B F# G#m
We know there are many reasons

E
People take to killing

B F#
Reasons they ve constructed

G#m G#m/G# G#m/G
Will you try to deny

G#m/F# E
All the damage you ve done

B F#

Or will you try to bow out gracefully

B F# G#m

And we ve got something good to show you

E

And you don t wanna miss this

B F#

You don t wanna miss this one

G#m G#m/G# G#m/G G#m/F#

You don t wanna be late for the party

G#m G#m/G# G#m/G G#m/F#

Advertisers cash in on all the beauty

G#m G#m/G# G#m/G G#m/F# E

The power of all humanity admitting that we got it wrong

F#

We got it wrong again

B F# G#m

And we the people have now spoken

E

Pack up your belongings

B F#

Sail across the ocean

B F# G#m

And face all that you have created

E

In the name of god s love

B F#

A thin shield for your hatred

G#m G#m/G# G#m/G

You can never repair

G#m/F# E

All the damage you ve done

B F#

But we ll rebuild even stronger

B F# G#m

cause we ve got something good to show you

E

And you don t wanna miss this

B F# B

You don t wanna miss this one...
