

Let Me Love You Longer
Terri Clark

C G F G

it isn't fair? it isn't right

C G F G

to have to lie in bed at night

Am F G

and think of all the things I'll never get to say

C G F G

Happened fast how could I know

C G F G

That the one I needed most

Am F G

would disappear and leave me here someday

Am F C G

I want to beg, I want to plead

Am F G

I want an answer when I get down on my knees

C G F G

What kind of world will this be without you in it.

C G F G

If you leave my life, I won't know how to live it.

Em F

This story can't be over

Em F

This sun's too bright to set

C G F

Let me love you longer

G Am F C G

I'm not ready to let go yet.

C G F G

It's no one's fault but all the same

C G F G

I'm looking for someone to blame

Am F G

for the loneliness that's closing in on me

C G F G

If I could hold you at the door

for a single minute more

Am F G

I would hold that moment for eternity

Am

It can't be time

F C G

It can't be true

Am F G

Don t you know how much I need you

CHORUS

Em F

This story can t be over

Em F

This suns to bright to set

C G F

Let me love you longer

C G F

Oh let me love you longer

G Am F C G

I m not ready to let go yet.

G Am F C G

I m not ready to let go yet.
