So I can have everything I ve ever wished for and more

If I had 3 wishes, I d wish for 5
Then I could breathe underwater and I d still be alive
I d be as strong as 10 tigers and fly through the sky
Or be completely invisible yet pleasing to the eye
Oh just 9 wishes, no make it 10
So I can travel through time and start all over again
So I can travel through time and start all over again

Am Em Bm F# G#

If I had 3 wishes, I d wish for 5
Peace on earth, ban the bomb, get along and survive
If I had 5 wishes, I d wish for 6
I d have a flat in the city and a house in the sticks
If I had 6 wishes, I d wish for 7
Just decide what you want and then make it happen
Just decide what you want and then make it happen
