Bad Actress

by Terrorvision

Tabbed by Burnsy (aburnsy@mail2.ncl-coll.ac.uk)

Submitted by D-Low (d.low@teen.co.uk)

I ve taken the liberty to change one bit that I thought was wrong,  
(the hammer on bit at the end of the main riff) otherwise, this  
is an excellent tab of a bad ass song!

Main Riff (Clean)

	H
e	-----
B	o----3----2-----1----0-----o
G	-----0----0-----0----0-----
D	-----2-----2---
A	o-----0-2---o
E	---0-----0-----

This riff is repeated through the first two verses, with a clean C  
then A played at the end of the first verse, and a distorted C and A  
at the end of the second verse.

Verse 1:

When you laugh, it just makes me cry,  
When you cry, it just makes me smile,  
When you smile, well that makes me mad,  
**C** **A**  
When you re mad, it just makes me laugh.

Verse 2:

When you re high, it just makes me low,  
When you re low, it just picks me up,

You feel up, well that gets me down,  
                  **C**                  **A**  
When you re down, it makes me feel high.

The Chorus is played in powerchords (fifths), with distortion.

Chorus:

**G**          **A**                  **F#**          **B**          **C**  
And you never gave me anything, but I ended up with less,  
**D**  
Blame it on the Bad Actress.  
**G**          **A**                  **F#**          **B**          **C**  
And I never asked for everything, but I ended up a mess,  
**D**                  **B**          **E**          **B**          **E**  
Blame it on the Bad Actress.

Verse 3 is played the same as verse 2, then is followed by the chorus.

Verse 3:

If you leave, that means I ll stay,  
If you stay, I ll just have to go,  
When you go, then I ll have to wait,  
                  **C**                  **A**  
If you wait, I ll just have to leave.
