Verse 1:

**B/E** **E** **B/C#** **C#m**  
We approach your throne, contrite of heart  
**Amaj7** **B/A** **F#m7** **B7sus** **E**  
Crying out to you in repentance  
**B/E** **E** **B/C#** **C#m**  
Overwhelm us now in your holiness  
**Amaj7** **B/A** **F#m7** **B/A** **E**  
Reign - nite the flame within us  
**A** **B** **E**  
We seek cleansing and forgiveness  
**A** **B** **E**  
For our hearts, they turn away  
**A** **B** **C#m**  
Restore us to the place  
**Amaj7** **B/A** **Amaj7** **F#m7** **B7sus**  
Where we desire only you, desire only you

Verse 2:

Fill our hearts O Lord with your righteousness  
Renew in us the joy of salvation  
Overwhelm us now in your holiness  
Reignite the flame within us
