Good bye to you my thrusted friend, we`ve known each other since we were

**F#m** **B7** **E**

nine or ten; together we climbed hills and trees,

**E** **F#m** **B7** **E**

learned of love A B C; skinned our harts and skinned our knees.

**E** **F#m**

Good bye my friend it`s hard to die, when all the birds are singing in the sky

**B7** **E**

now that the spring is in the air

**E** **F#m** **B7** **E**

pretty girls are ev `ry where, think of me and I`ll be there

**E** **F#m**

We had joy, we had fun, we had seasons in the sun,

**B7** **E**

but the hills that we climb were just seasons out of time.
