Gettin Better

from the album Mechanical Resonance.

This is the main part of the intro, and is played three times. I have included some of the words for a bit of help. The three other bits of tab are what comes after the main part each time through - if you know what I mean!!

I hope it s of use to somebody, but it really is very easy to play, especially if you have the song. But it s nice. The rest of the song is just straightforward chords and stuff. This is my first time entering tab and its just from memory but I reckon its not a bad effort - very time consuming though!! Any correspondence from other axemen (or women) would be good. My e-mail address is at the end. Fingerpick those strings and enjoy!

Archie.
