

**Bad Ideas**

**Tessa Violet**

[Verse 1]

**Eb**

I hope that you don't think I'm rude

**Cm**

But I wanna make out with you

**Ab**

And I'm a little awkward, sure

**Bb**

But I could touch my face to yours, oh

**Eb**

And no one ever called me smooth

**Cm**

But I just wanna see the grooves

**Ab**

Between your hands, your teeth, oh

**Bb**

Tell me, do you think about me?

[Pre-Chorus]

**Eb**

I just wanna kiss you

**Gm**

And even if I miss you

**Cm**

**Ab Gm**

At least I'll know what it's like to have held your hand, oh!

**Ab Bb**

No-o, hey!

[Chorus]

**Eb**

Bad ideas, ay (oh!)

**Gm**

**Cm**

I know where they lead (hey, oh!)

**Ab**

But I got too many to sleep

**Gm**

And I can't get enough, no

**Ab**

**Bb**

I wanna kiss you standing up

**Eb**

Oh, no!

**Gm**

**Cm**

And if tomorrow makes me low (oh!)

**Ab**

Will it be worth it just to know?

**Gm**

Cause I can't get enough, no

**Ab** **Bb**  
I wanna kiss you standing up

**Eb Gm Cm**

O-oh!

Hey!

[Verse 2]

**Eb**  
I don't know what compels me

**Cm**  
To do the very thing that fells me

**Ab**  
I wake up, still high on you

**Bb**  
But by the night, I'm crashing through

[Pre-Chorus]

**Eb**  
So why'd I wanna kiss you

**Gm**  
Even though I miss you

**Cm**  
Guess I just wanted to know

**Ab**  
What it would feel like, oh!

**Gm Ab Bb**  
No-o, hey!

[Chorus]

**Eb**  
Bad ideas, ay (oh!)

**Gm Cm**  
I know where they lead (hey, oh!)

**Ab**  
But I got too many to sleep

**Gm**  
And I can't get enough, no

**Ab Bb**  
I wanna kiss you standing up

**Eb**  
Oh, no!

**Gm Cm**  
And if tomorrow makes me low (oh!)

**Ab**  
Will it be worth it just to know?

**Gm**  
Cause I can't get enough, no

**Ab Bb**  
I wanna kiss you standing up

**Eb Gm Cm**  
Oh!

[Bridge]

**Eb**

Singing s a bad look on me

**Gm**

And if I m talking, honestly

**Cm**

It takes everything I got not to text, and

**Ab** **Gm**

I just want a kiss to get me through

**Ab**

Cause now all my bedsheets

**Bb**

Smell like you, so

[Pre-Chorus]

**Eb**

If you think you miss me

**Gm**

Come on back and kiss me

**Cm**

I just gotta know what you and I would feel like

**Ab** **Gm**

Oh!

**Ab**

No-o, hey!

**Bb**

Yikes

[Chorus]

**Eb**

Bad ideas, ay (oh!)

**Gm** **Cm**

I know where they lead (hey, oh!)

**Ab**

But I got too many to sleep

**Gm**

And I can t get enough, no

**Ab** **Bb**

I wanna kiss you standing up

**Eb**

Oh, no!

**Gm** **Cm**

And If tomorrow makes me low (oh!)

**Ab**

Will it be worth it just to know?

**Gm**

Cause I can t get enough, no

**Ab** **Bb**

I wanna kiss you standing up, oh

**Eb**

Hey!
