Maybe it s a shame
      Am   C   Am   (F)
That it happened this way, but there s nothing I can do
C
And I know you like to say
          Am   C   Am
That in a week it will have changed, but we both know it ain t true
    G   F
So tell me for the last time why you re here
      G   F
And I ll pretend to love you for the fear of breaking you

C   G   F   C
Close your eyes, baby take the time to choose
         G   Am
What it is you want to do
       F
Cause I m not sorry
C   G   F   C
And in the end, you know it all comes back to you
          G   Am
So take the time to choose
      F   C
Cause I m not sorry

    C
So turn you head away
        Am   C   Am   (F)
From the mess that we have made, cause there s nothing we can do
    C   Am
And don t you feel ashamed, when the light begins to fade
        C   Am
On the one thing, you thought you knew
    G   F
And tell me for the last time why you re here
      G   F
And I ll pretend to love you, for the fear of breaking you

Lonely eyes I cannot trust
            G                    F
I know it s tough love but we must
        Em                      Am
Cut the ties and throw it away
        G                F
I never wanted it this way
        C                  Am              G                  F
A broken heart is left to bleed, an open book is left to read
            C                    F
It s crystal clear, so tell me why can t you see
