

**Fearing These Days**  
**Texas**

Intro.:2x (A, Bm, E, A)

**A**

You only see me when I laugh

**Bm**

Never hear me when I cry

**E**

**A**

I'm tired of fearing these days

**A**

I'm setting here on my own

**Bm**

Talking to myself alone

**E**

**A D**

And I'm tired of fearing these days

**A**

**E**

All I need was an explanation

**A D**

Why you treat me so mean

**A**

You always play the part with no hesitation

**E**

**D**

That's the other side I've seen

Refrão:

**A**

**Bm**

Please don't fail me, don't fail me

**E**

**A**

Please don't let me fall (2X)

If all my nightmares come today

Will you hide them far away

Cause I'm tired of fearing these days

It'll wash away the past and pain

Let me start from new again

I'm tired of fearing these days

You always hit me when there is no reason

To feel superior to me

When all I want is confrontation

So I can find and a release

Please don't fail me...> Refrão > Solo > Refrão até o fim... **D ,C#m, Bm, A**
