

Intro: **B A G F#**

B **A**
Where were you when the lights went out

G **F#**
I ask you this in your defense

B **A**
You fell for a river when all you wanted was a drink

G **F#**
To me that never made much sense

D **A**
Hear me now with every word I breath

B **G**
Believe in me if you can

D **A**
Hear me now like a long lost friend

B **F#**
Believe in me if you can

B A
I live my life to the full each day
G F#
Cause I m scared of not being alive
B A
And all that I m wanting is the same for you
G F#
Don t wanna tell you any lies

Verse: _____

Piano plays out....(adlib on guitar)
