So in love with you - Texas (v1.0)

Am **D**
I m so in love with you
F **G**
I m so in love with you
Am
Whether it is right or it s wrong
D
I m too weak to be strong
F **G**
I m so in love with you

C **Em**
Well you say you need something
 Am **F** **G**
To help you where you re down, to take your fears away
 C **Em**
Yeh you say you d do anything
 Am **F**
To keep your feet off the ground
 G **Em**
And help you on your way
F **G**
You re all I need
F **G** **Em**
Yeh you are all that I need

I m so in love with you *
I m so in love with you
Whether it is right or it s wrong
I m too weak to be strong
I m so in love with you

When you see your reflection

You say it isn't you
 Then you turn the other way
 And I'm watching you suffer
 Yourself and your pain
 Please don't fade away

* : you can there play an arpeggio with the previous chords that
 you may modify in Am, Dsus2, Fmaj7 and G* :

Am	Dsus2	Fmaj7	G*
e-----0-----0-----0-----0-----0-----0-----0-----0-----			
B---1--1-1---1--1---3--3-3--3--3-3---1--1-1--1--1-1---3--3-3--3--3-3---			
G---2-2--2---2-2--2---2-2--2---2-2--2---2-2--2---2-2--2---0-0--0--0-0--0---			
D-----2-----0-----0-----3-----3-----0-----0-----			
A--0-----			
E-----			3-----

It sounds very nice with two guitars : an acoustic one which plays the chords,
 and an electric one can play the arpeggio with a cool sound like the record.
