

**Tell That Girl
Texas**

Verse

D

Try, try to figure

A

Out what it all means

G

As the sunset on

G

Your silly suburbia in dream

D

You don't love her, no

A

You couldn't couldn't possibly

G

If you loved her

D

You'd hate for her to be so free

Bm B

And you know she's going out tonight

A

To this city where there are bright headlights

Bm

Maybe you go down and then make it alright

G

Or just stay home and cry

D

A

Why don't you tell her, tell that girl?

G

D

You said forever ever ohoh oh

D

I'm taken over

A

ways to show how you feel

G

But flowers died

A

D

And you could never know what's real

D

Oh why can't you see

A

How it's meant to be?

G

She says she loves you but

D

You couldn't couldn't possibly

Bm B

And you know she's going out tonight

A

To this city where there are bright headlights

Bm

Maybe you go down and then make it alright

G

Or just stay home and cry

D

A

Why don't you tell her, tell that girl?

G

D

You said forever ever ohoh oh

D

How is she supposed to know

A

That we're meant to be together

If you don't tell her

G D

Tell that girl
