

Gypsy Prayer

Thaddeus Dale Johnson

C G F
May you get what youâ€™re lookin for
C G F
And only you can really know for sure
C G F
We swam through lifetimes just to get this far
C G F
May it be all that we dreamed and more

C G F
We wore our welcome out so long ago
C G F
And here we are sleeping on the floor
C G F
And you know me â€” what do I know
C G F
Well I know we still got soul

C G F
May you get what youâ€™re lookin for
C G F
And only you can really know for sure
C G F
We swam through lifetimes just to get this far
C G F
May it be all that we dreamed and more
