

Back On The Road
Thalles Cabral

I m leaving you tonight
Do not wait me awake
I ll never look back, just drive

C#m

I don t wanna see your face (anymore)

E

You stole from me

All my truest feelings

E

You left me empty with my fears (until now)

Driving fast to nowhere

A

I wanna live something rare without you

E Cm

I gotta find my soul

D

The place where I must belong
There s nothing wrong

A

When you go after what you want

(**E F# A Am**)

E

I m not sure who I am
I became a stranger
After all the changes you made

C#m

So much time I ve wasted (you re insane)

E

You got me blind
Fucked up my mind
Left me behind

C#m

I was so fucking fool (stupid youth)

F#

We re never gonna be as young

F#

As we are tonight

A

That s why I m going to recover

My wasted time
