

Viva Discordia
That Handsome Devil

So, this is my first time doing a tab on here, hope I do it right!

Oh, and you ll have to listen to the song to get the rythm down for yourself and how want to play it.

I just use bar chords for this song:

Fm x-8-10-10-9-8-|
A#m 6-8-8-6-6-6---|
C# x-4-6-6-6-4---|
C x-3-5-5-5-3---|
Bm x-2-4-4-3-2---|
C#m x-4-6-6-5-4---|
G#m 3-5-5-3-3-3---|

The strumming is offbeat from the vocals
Each chord/vocal line below is four beats/strokes

Okay, so there s the little intro part, then
