Am G
You finally find your helpless mind,
Am C
is trapped inside your skin.
Am G
You want to leave, but you believe
Am C
you won t get back again.
Am C D C
You only know, you have to go but still you can t get out.
Am C D Am
You try and try, you die and die. You re stopped by your own doubt.

Intro X2

Am
Reverberation,
reverberation.

Am G
You find no peace, it doesn t cease,
Am C
it s deadly irritation.
Am G
It keeps you blind, it s there behind,
Am C
your every hesitation.
Am C D C
It holds your thought, your mind is caught, your fixed with fascination.
Am C D Am
You think you ll die, within the lie, it s backward elevation!

Intro X2

Am
Reverberation,
reverberation.

Am D
You see reverberation,
Am D
is your latest incarnation,
Am D
You think it s a sensation,
G E7 Am Intro X2
but it s just reverberation.

Am G
You start to swerve, the downward curve,
Am C
that catches up your fears.
Am G
Each thing you do, comes home to you,
Am C
and pounds inside your ears.
Am C D C
Your start to fight against the night, that screams inside your mind.
Am C D Am
When something black it answers back, and grabs you from behind!

Intro
Am
Reverberation,
echoing through your brain.
Reverberation,
driving your mind insane.
Reverberation,
causing your blood to drain,
Am G X4
leaving just charred remains. (End)
