Am
Someone somewhere sometime ago
His eyes were clear to see
He put his thoughts into my mind
And gave myself to me

Dm
He stopped me from living so insane
I can be just what I want to be

Am
Things appear as they really are
I can see just what I want to see

Em **Dm**
Come on and let it happen to you

Em **Dm**
Come on and let it happen to you

Am
Youâ€™ve got to open up your mind
G - Am **G - Am**
And let everything come through

Am
Oh well, it starts like a roller coaster ride
So real it takes your breath away
It slides you through your point of view
You look back to where you thought youâ€™d stay

Dm
Your ride the changes outside you
While inside youâ€™re like a neon ray

Am
And you find out you donâ€™t have to search for words
For thereâ€™s nothing you need to say

Em **Dm**
