The 1975

I found this song on YouTube and it seems pretty unknown but i really love it
heres the song

<http://www.youtube.com/watch?v=4v90RM6JpH0>

if i got some lyrics wrong im sorry, but i couldnt find them anywhere the only
version of the song is him singing it acoustic so yeah i decided to figure out
the chords

Hammer on for C and Em on the d string

Hammer on for Am on the g string

C (x32010)

Em (033000)

Am (x02210)

F (112331)

Capo 6

C

Well we re here,

Em

We re at the common again,

Am

Smoked six of the 10 fags

F

That I only bought an hour ago

C

Said well I,

Em

I like the look of your shoes

Am

I like the way that your face looks

F

when I m arguing with you

Am

And so when

G

When we all grow old

F

I hope that this song will remind you

C

G

That I m not half as bad as what you ve been told

Am

When I knock

G

at a hundred and two

F

And I see your pyjamas

C G

I can't stop smiling at you

C

And that's why we're here

Em

we're at the common again

Am

I've been pouring my heart out

F

towards your optimistic grin

C

Said well I, I

Em

I like the cut of your jib

Am

I like the way that your face looks

F

when you're yapping on about him

Am

But on this shirt

G

I found your smell

F

I just sat there for ages

C

G

contemplating what to do with myself

Am

G

called you up at a hundred and two

F

we just sat there for ages

talking about that boy

C

G

what was getting onto you, you
