

**Chocolate**  
**The 1975**

Easiest way to play in my opinion.  
Capo 4.

[Intro:]

**G - C - Em - C**

[Verse:]

**C - D - Em - G**

Hey now, call it a split because I know that you will  
oh you bite your friends like chocolate  
You said we go where nobody know  
We got guns hidden under our petticoats  
and we never gonna quit it  
no we re never gonna quit it no

Now run run away from the boys in the blue  
oh my car smells like chocolate  
And now I think about what you do  
I think about what they say  
I think about how to think

Pause it play, pause it play, pause it

[Chorus:]

**G - C - Em - C**

Oh We go where nobody know  
We ve got guns hidden under our petticoats  
And we re never gonna quit it,  
no we re never gonna quit it no.  
Yeah, we re dressed in black from head to toe  
we ve got guns hidden under our petticoats  
and we re never gonna quit it  
no we re never gonna quit it, no.

[Verse:]

**C - D - Em - G**

Now you re never gonna quit it  
now you re never gonna quit it  
now you re never gonna quit it

if you don't stop smoking it  
that's what she said  
She said we're dressed in black from head to toe  
we've got guns hidden under our petticoats  
and we're never gonna quit it  
no we're never gonna quit it no.

Hey now we're building up speed  
as we're approaching the hill  
oh my hair smells like chocolate  
Hey now you say you're gonna quit it  
but you're never gonna quit it  
go get it, go get it, go get it, go get it, go,  
play cool

[Chorus again.]

[Bridge:]

**G - A (0-0-2-0-3-3) - Em - C**

Well I think we better go  
Seriously better go  
I said the feds are here you know  
Seriously better go  
Well I think we better go  
I said the feds are here you know  
said Rebecca better know  
Seriously better go

[Chorus til end.]

We go where nobody know  
We've got guns hidden under our petticoats  
And we're never gonna quit it,  
no we're never gonna quit it no.  
Yeah, we're dressed in black from head to toe  
we've got guns hidden under our petticoats  
and we're never gonna quit it  
no we're never gonna quit it, no.

Well I think we better go  
Seriously better go  
I said the feds are here you know  
Seriously better go  
Well I think we better go  
I said the feds are here you know  
said Rebecca better know  
Seriously better go
