Fallin' For You The 1975 Intro: F G Am F Verso: \mathbf{F} What time you coming out? G We started losing light Am I ll never make it right F If you don t want me round G I m so excited for the night Am All we needs my bike F And your enormous house G You said someday we might Am When I m closer to your height \mathbf{F} Till then we ll knock around and see G If you re all I need Refrão: \mathbf{F} Don t you see me now G Am I think I m falling, I m falling for you F Don t you need me G Am I think I m falling, I m falling for you F On this night and in this light G Am I think I m falling, I m falling for you \mathbf{F} Maybe you 11 change your mind G I think I m falling

Verso:

 \mathbf{F} I m caught on your coat again G You said oh no, it s fine Am I read between the lines F And touched your leg again G I ll take it one day at a time Am Soon you will be mine \mathbf{F} Oh but I want you now G When the smoke is in your eyes Am You look so alive F Do you fancy sitting down with me Ponte: G Am F Maybe cos you re all I need according to your heart G Am My place is not deliberate \mathbf{F} Feeling of your arms G I don t wanna be your friend, I wanna kiss your neck
