

Falling For You
The 1975

Intro: **F G Am F**

F
What time you coming out?

G
We started losing light

Am
I ll never make it right

F
If you don t want me round

G
I m so excited for the night

Am
All we needs my bike

F
And your enormous house

G
You said someday we might

Am
When I m closer to your height

F
Till then we ll knock around and see

G
If you re all I need

F
Don t you see me now

G **Am**
I think I m falling, I m falling for you

F
Don t you need me

G **Am**
I think I m falling, I m falling for you

F
On this night and in this light

G **Am**
I think I m falling, I m falling for you

F
Maybe you ll change your mind

G
I think I m falling

F
I m caught on your coat again

G
You said oh no, it s fine

Am

I read between the lines

F

And touched your leg again

G

I ll take it one day at a time

Am

Soon you will be mine

F

Oh but I want you now

G

When the smoke is in your eyes

Am

You look so alive

F

Do you fancy sitting down with me

G Am

F

Maybe cos you re all I need according to your heart

G

Am

My place is not deliberate

F

Feeling of your arms

G

I don t wanna be your friend, I wanna kiss your neck

F

Don t you see me now

G

Am

I think I m falling, I m falling for you

F

Don t you need me

G

Am

I think I m falling, I m falling for you

F

On this night and in this light

G

Am

I think I m falling, I m falling for you

F

Maybe you ll change your mind

G

I think I m falling
