

If I Believe You  
The 1975

**E** **B**  
I ve got a God shaped hole that s infected  
**E**  
And I m petrified of being alone now  
**B** **F#**  
It s pathetic, I know  
**E** **F#**  
And I tossed and I turn in my bed  
**A** **E**  
It s just like I lost my head (lost my head)  
**A**  
And if I believe you  
**E**  
Will that make it stop?  
**A**  
If I told you: I need you  
**B**  
Is that what you want?  
**A**  
And I m broken and bleeding  
**E** **F#**  
And begging for help, for your help  
**A**  
And I m asking you Jesus, show yourself  
**A** **B**  
I thought I d met you once or twice  
**E** **A**  
But that was just because the dabs were nice at opening up my mind  
**B**  
Showing me consciousness is primary in the universe  
**A**  
And I had a revelation  
I ll be your child if you insist  
**B**  
I mean, if it was you that made my body  
**E**  
You probably shouldn t have made me atheist  
**A**  
But, oh, I m a lesbian kiss  
I m an evangelist  
**B** **E**  
And if you don t want to go to hell and miss, you better start selling this  
**A**  
And if I believe you  
**E**  
Will that make it stop?  
**A**

If I told you: I need you

**F#**

And begging for help, for your help

**A**

And I m asking you Jesus, show yourself

**A**

**B**

**E**

If I m lost, then how can I find myself?

**A**

**B**

**E**

**A**

If I m lost, then how can I find myself?

**A**

**B**

**E**

**A**

If I m lost, then how can I find myself?

**B**

**E**

**A**

If I m lost, then how can I find myself?

**B**

**E**

**A**

Then how can I find myself?
