

If I Believe You  
The 1975

I ve got a God shaped hole that s infected  
And I m petrified of being alone now  
It s pathetic, I know  
And I tossed and I turn in my bed  
It s just like I lost my head (lost my head)  
And if I believe you  
Will that make it stop?  
If I told you: I need you  
Is that what you want?  
And I m broken and bleeding  
And begging for help, for your help  
And I m asking you Jesus, show yourself  
I thought I d met you once or twice  
But that was just because the dabs were nice at opening up my mind  
Showing me consciousness is primary in the universe  
And I had a revelation  
I ll be your child if you insist  
I mean, if it was you that made my body  
You probably shouldn t have made me atheist  
But, oh, I m a lesbian kiss  
I m an evangelist  
And if you don t want to go to hell and miss, you better start selling this  
And if I believe you  
Will that make it stop?
