

If I Believe You
The 1975

F# **C#**
I ve got a God shaped hole that s infected
F#
And I m petrified of being alone now
C# **G#**
It s pathetic, I know
F# **G#**
And I tossed and I turn in my bed
B **F#**
It s just like I lost my head (lost my head)
B
And if I believe you
F#
Will that make it stop?
B
If I told you: I need you
C#
Is that what you want?
B
And I m broken and bleeding
F# **G#**
And begging for help, for your help
B
And I m asking you Jesus, show yourself
B **C#**
I thought I d met you once or twice
F# **B**
But that was just because the dabs were nice at opening up my mind
C#
Showing me consciousness is primary in the universe
B
And I had a revelation
I ll be your child if you insist
C#
I mean, if it was you that made my body
F#
You probably shouldn t have made me atheist
B
But, oh, I m a lesbian kiss
I m an evangelist
C# **F#**
And if you don t want to go to hell and miss, you better start selling this
B
And if I believe you
F#
Will that make it stop?
