```
Its Not Living If Its Not With You
The 1975
[Verse 1]
Danny ran into some complications
He falls asleep during conversations
                                                    D
He s gotta search the street when he s on vacation
The worst thing is that I m in the same situation
[Chorus]
And all I do is sit and think about you
If I knew what you d do
Collapse my veins wearing beautiful shoes
It s not living if it s not with you
[Verse 2]
And Danny says we re living in a simulation
But he works in a petrol station (selling petrol)
He says it all began with his operation
And I know you think you re sly but you need some imagination
[Chorus]
And all I do is sit and think about you
If I knew what you d do
Collapse my veins wearing beautiful shoes
It s not living if it s not with you
All I do is sit and drink without you
If I choose then I lose
Bm
```

```
It s not living if it s not with you
[Bridge]
I can t stop sweating or control my feet
I ve got a twenty-stone monkey that I just can t beat
I can stage a situation, but I just can t eat
And there s a feeling, you re replacing embrace
[Chorus]
                                                 Α
It s true that, all I do is sit and think about you
If I knew what you d do
Bm
Collapse my veins wearing beautiful shoes
It s not living if it s not with you
All I do is sit and drink without you
If I choose then I lose
Distract my brain from the terrible news
It s not living if it s not with you
[Outro]
Oh, I ll try to get a job in a bank, I think
Danny spent time trying to pack in the drinks for me
Bm
I feel sick and I know I can t lose but
It s not living if it s not with you, it s not, it s not
It s not living if it s not with you, it s not, it s not
It s not, it s not, It s not living if it s not with you
It s not living if it s not with you, it s not, it s not
It s not, it s not, it s not, it s not
G
```

Distract my brain from the terrible news

It s not living if it s not with you  $% \left( 1\right) =\left( 1\right) \left( 1\right) +\left( 1\right) \left( 1\right) \left( 1\right) +\left( 1\right) \left( 1\right)$
