

Love It If We Made It
The 1975

Most of the song is palm muted apart from the 2nd section of the 2nd chorus
(where C#m is played)

[Verse 1]

B

We re fucking in a car, shooting heroin

C#

Saying controversial things just for the hell of it

B

Selling melanin and then suffocate the black men

C#

Start with misdemeanours and we ll make a business out of them

B

And we can find out the information

C#

Access all the applications that are hardening positions based on
miscommunication

B

Oh! Fuck your feelings!

Truth is only hearsay!

C#

We re just left to decay!

Modernity has failed us

[Chorus]

B

And I d love it if we made it

C#

Yes, I d love it if we made it

B

Yes, I d love it if we made it

C#

Yes, I d love it if we made it

[Verse 2]

B

And poison me daddy

I got the Jones right through my bones

C#

Write it on a piece of stone

A beach of drowning 3 year olds

B

Rest in peace Lil Peep

The poetry is in the streets

C#

Jesus save us!

Modernity has failed us

[Chorus 2]

B

And I d love it if we made it

C#

Yes, I d love it if we made it

B

Yes, I d love it if we made it

C#

Yes, I d love it if we made it

B C# Ebm

And I d love it if we made it

B C#

And I d love it if we made it

Ebm B C#

And I d love it if we made it

Ebm B C#

I d love it if we made it
